## [Diary of A Wimpy Kid The Thrid Wheel](#)

*Diary of A Wimpy Kid The Third Wheel*

This book is about Greg who had problems with his best friend Rowley. Greg did some things that made his best friend not wanting to talk to him anymore. Rowley started hanging out with another kid and Greg was really jealous about him. He tried to get Rowley to hang out with him but he didn't want to because his parents thought he was a really bad influence on him. I could relate to this because sometimes I do things that might not be the best and end up having to say sorry. This was in my opinion a great book and I enjoyed the story of it.
