[My Favorite Places , People and Things](#)

I am from mobile, from technology and battery, electricity.

I am from the Garden that smells always fresh.

I am from the rose, the beauty of flower, more love.

I am from Diwali and Holi.

from Aman and Mohit and Akshit.

I am from the people who said work hard and people who said focus From I don't want to spend money on you and if you don't leave your insistence I'll be slap you..

I am from Hindu.

I'm from India from dal Roti.

From the Sagar he's my friend he is very funny he always makes me happy and others too. He is very honest. the other is my cousin he's always in bad mood. If we talk with him normally he gets angry without any specific topic and the last one is my uncle he always in chill mood. He's the one guy I love him so much and he also loves me. He never gets angry at me.

I am from Panipat from New Ramesh nagar and a big school near by my house.
