

[Oh, Naughty Scout](#)

It was pretty exciting recording this scene of the play "To kill a mockingbird". It was very tough at first and we had to keep re-doing the recording over and over again but, later we finally got it. I learned more about the play than just reading it and watching the movie. Acting out the actual characters gives you a better gist and how the play goes and how it was actually like at the time. reading this playing out loud mad me smile since i was happy that i finally got to understand the play much better. I hope others feel the same way about acting plays out.
