

Act 1

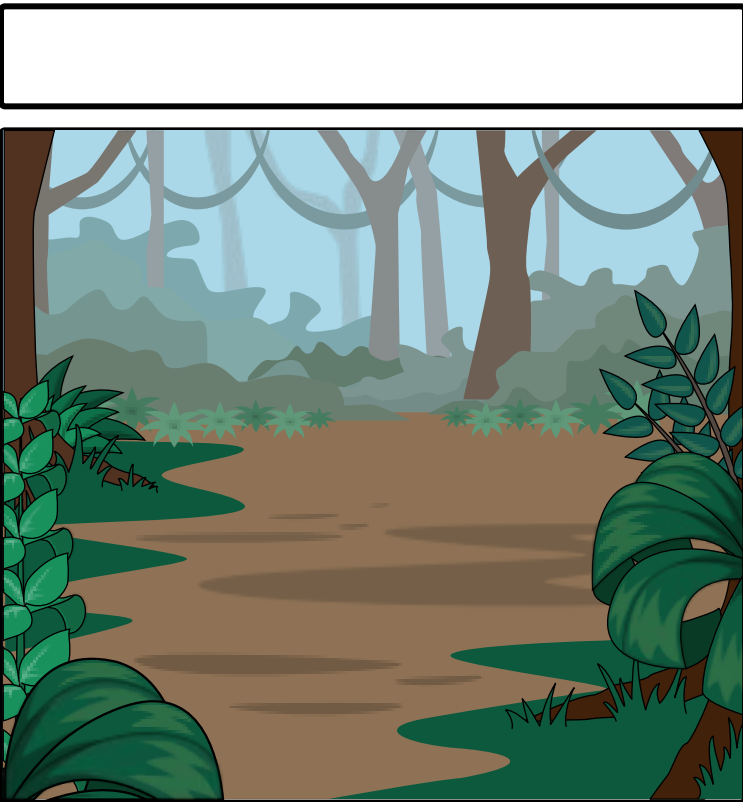

Wolf in cave eating.

Few days later.

Fox searched here and didn't see the Wolf.

Fox searched here and didn't see the Wolf. He searched a couple more places until he went to the Wolf's cave.

At first, the Wolf was in his cave eating his food. The fox started wondering where the Wolf went so he searched different places. This is the scene when the Fox finally finds the Wolf.

He then walks away heading to the Shepherd.
